

Notice of Vehicle Class Structure Revision and Partial Fee Changes(Effective sequentially from Monday, January 26, 2026)

In order to meet the increasingly diverse needs of our customers, we will revise the vehicle class structure and update the class names. (Revisions will be implemented sequentially from Monday, January 26, 2026.)

New basic rental fees will be set for the updated vehicle classes. As a result, rental fees may differ compared to the current class structure.

※ Reservations made prior to the revision date will be applied using the previous vehicle classes and previous fees.
